LOGIN

- We'll send you an email with your user name and a link to set up your password

- Go to ziperase.com and click [Customer Portal](#)

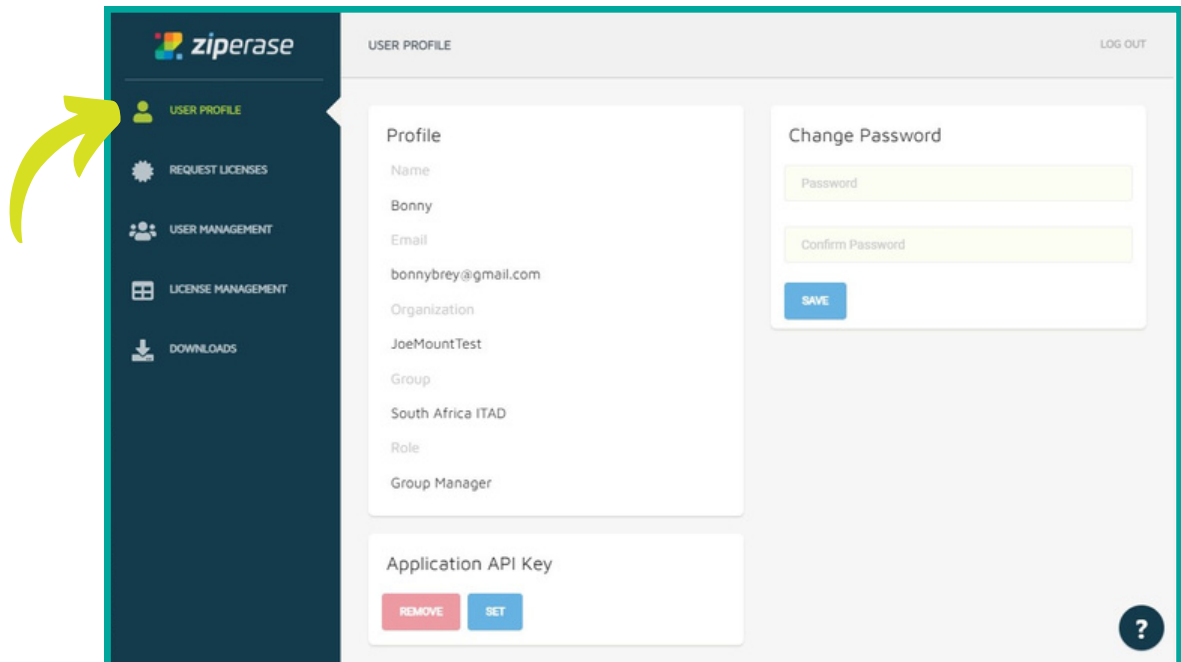

- Log in to the Ziperase Customer Portal using your email and password

USER PROFILE

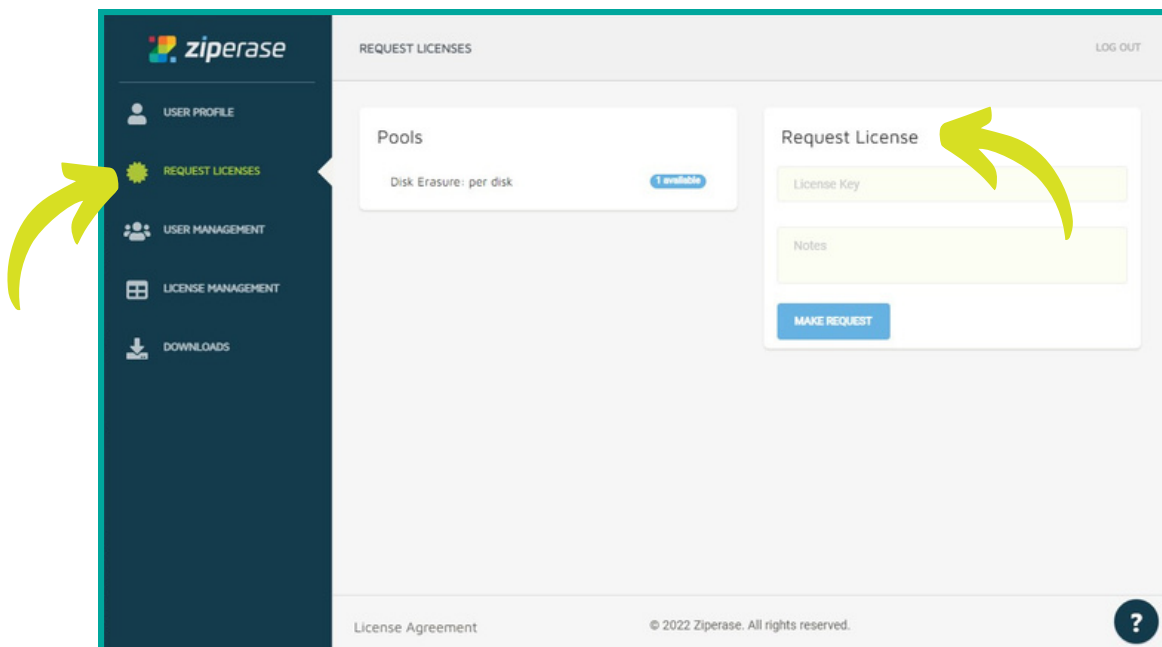

The **USER PROFILE** tab is where you can change your password or create a new API key (API Key section is for Device Link users only - see the Device Link User Manual for more information)

REQUEST LICENSES

The **REQUEST LICENSES** tab shows your license pools with the number and type of licenses assigned to your organization

- This is where you will enter any license keys generated by the Ziperase software you're using

USER MANAGEMENT

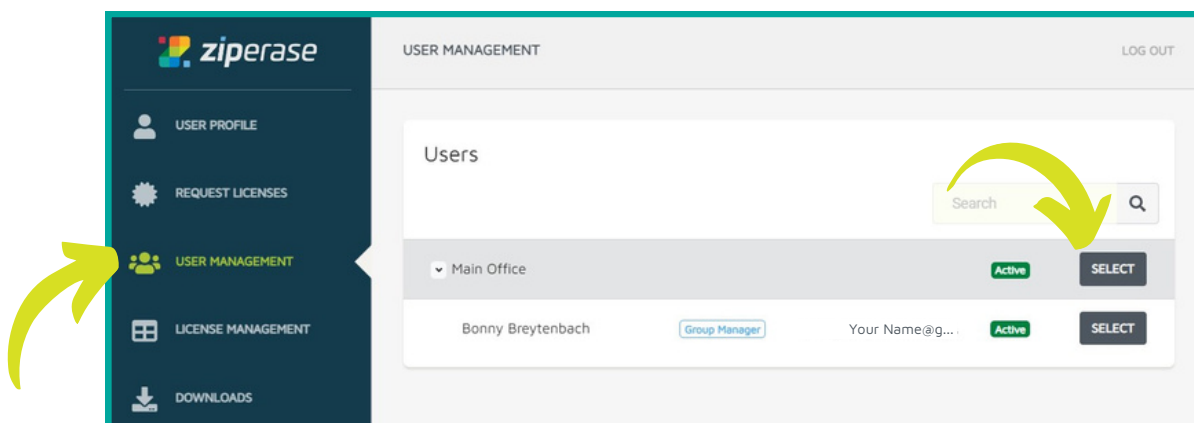

The **USER MANAGEMENT** tab is where you can set up groups, group managers, and users for different site locations, work groups, or whatever best suits your business processes

SUBGROUP: This is a subgroup of the parent organization or another subgroup. You can assign licenses, a Group Manager, and Group Members to each subgroup

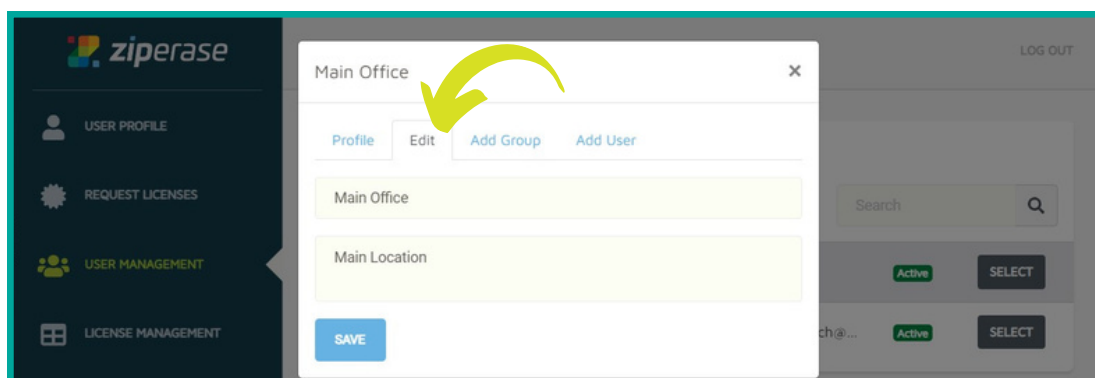

GROUP MANAGER: Group Managers have access to the full menu, including **USER MANAGEMENT** and **LICENSE MANAGEMENT**, and have permission to assign licenses to and edit details of the group they are managing

GROUP MEMBER: Group Members only have access to the **REQUEST LICENSES** and **DOWNLOADS** tabs. A Group Member cannot edit group details or assign licenses

- When you first log in, you will see yourself assigned as **Group Manager** of the parent organization, in this example named Main Office
- Click **SELECT** on the parent organization to see options for configuration

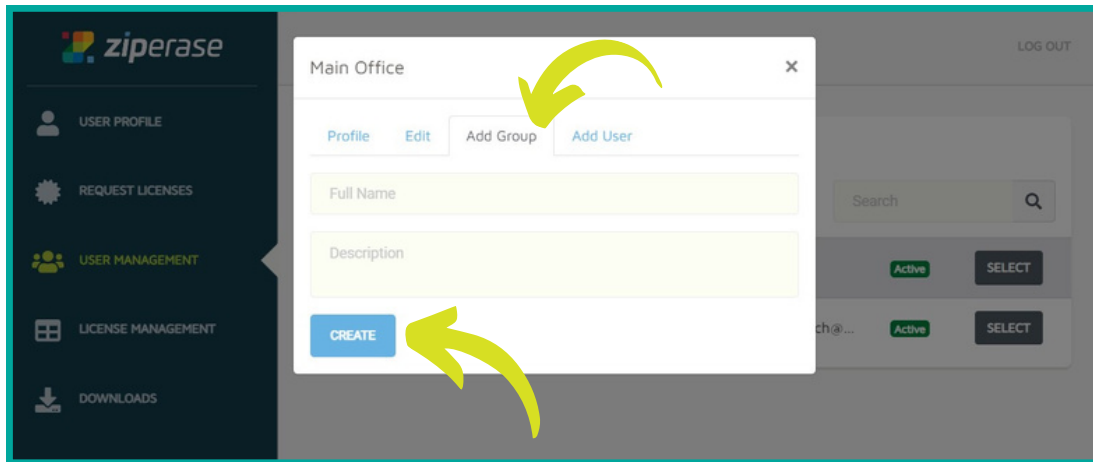

- Click the Edit tab to edit the name and location of the parent group/organization

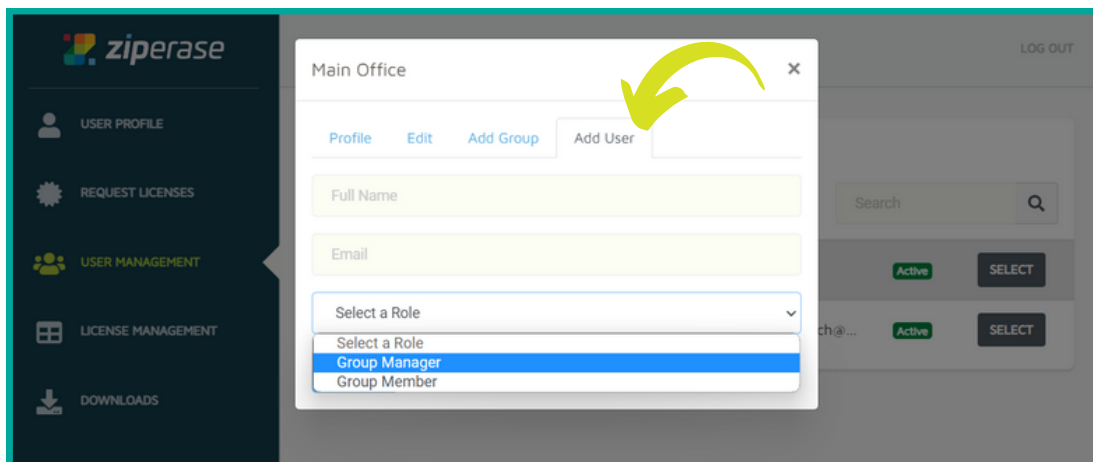

CREATING SUBGROUPS

- Click the Add Group tab to create a subgroup of the Main Office (or any group you are editing)
- When you have filled in the Full Name and Description of the new group, click CREATE

ADDING USERS

- Click the Add User tab to add a Group Manager or Group Member to the group you are editing

SUBGROUP: This is a subgroup of the parent organization or another subgroup. You can assign licenses, a Group Manager, and Group Members to each subgroup

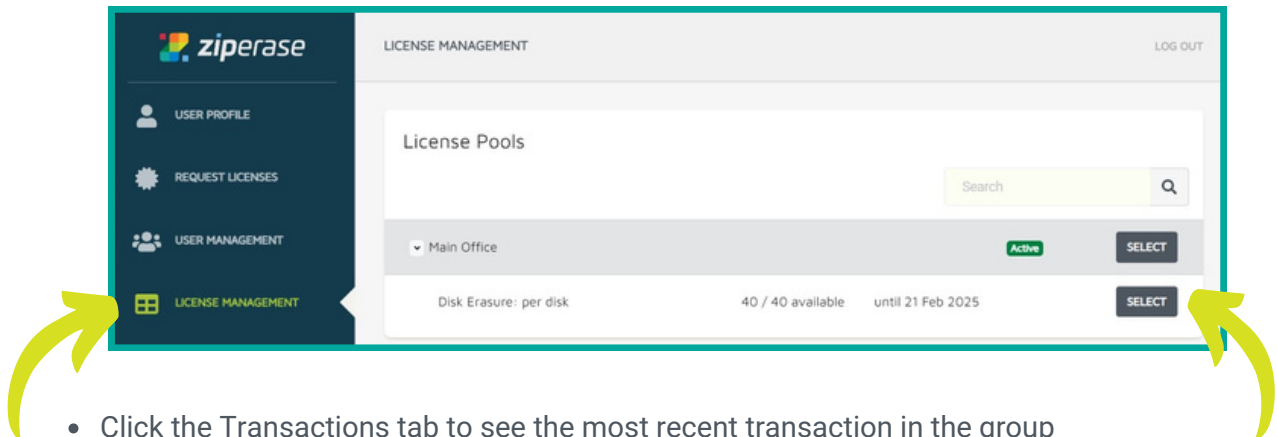

GROUP MANAGER: Group Managers have access to the full menu, including **USER MANAGEMENT** and **LICENSE MANAGEMENT**, and have permission to assign licenses to and edit details of the group they are managing

GROUP MEMBER: Group Members only have access to the **REQUEST LICENSES** and **DOWNLOADS** tabs. A Group Member cannot edit group details or assign licenses

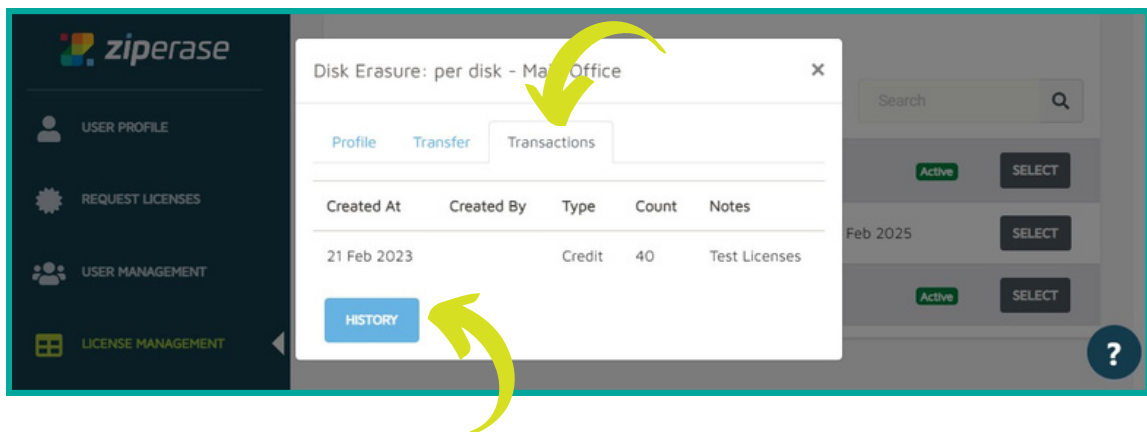

LICENSE MANAGEMENT

The **LICENSE MANAGEMENT** tab is where you can assign licenses to groups, group managers, and users for different site locations, work groups, or whatever best suits your business processes

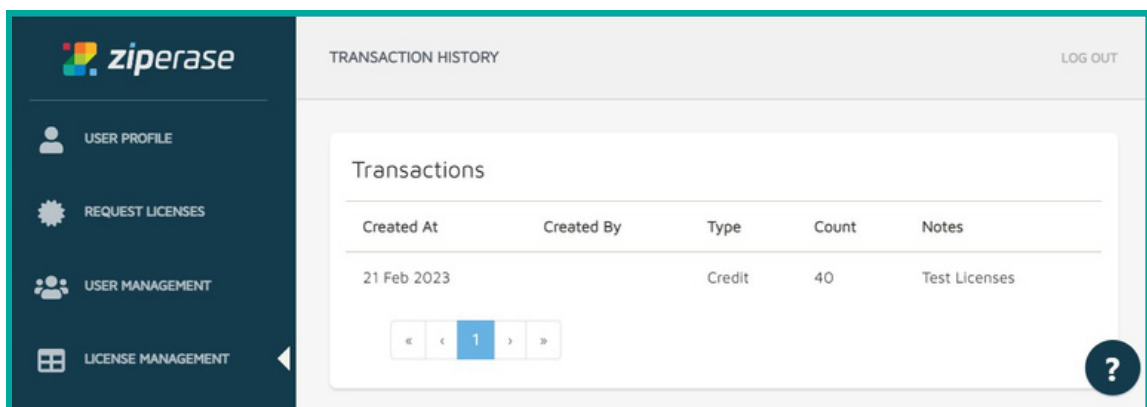

- Click Select on the license pool to see options

- Click the Transactions tab to see the most recent transaction in the group

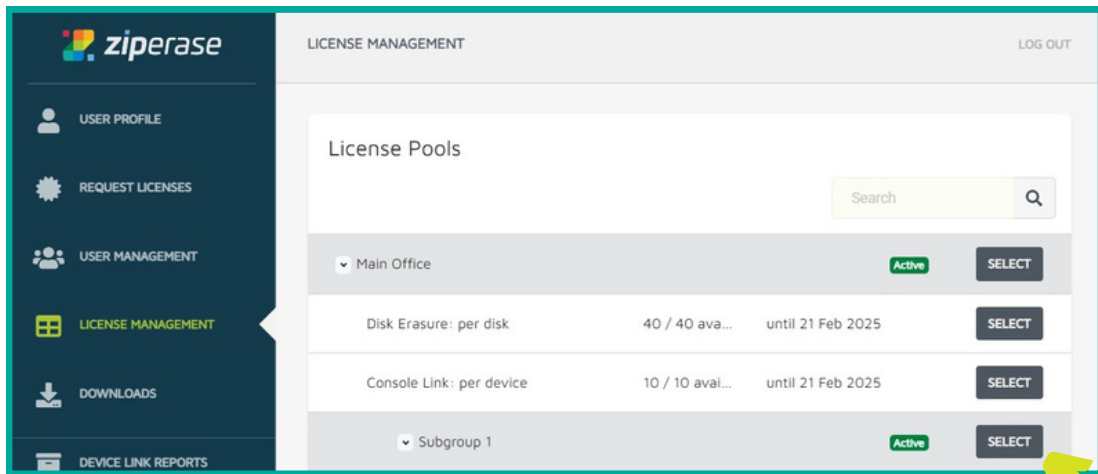

- Click **HISTORY** to see the transaction history for all licencing in this group

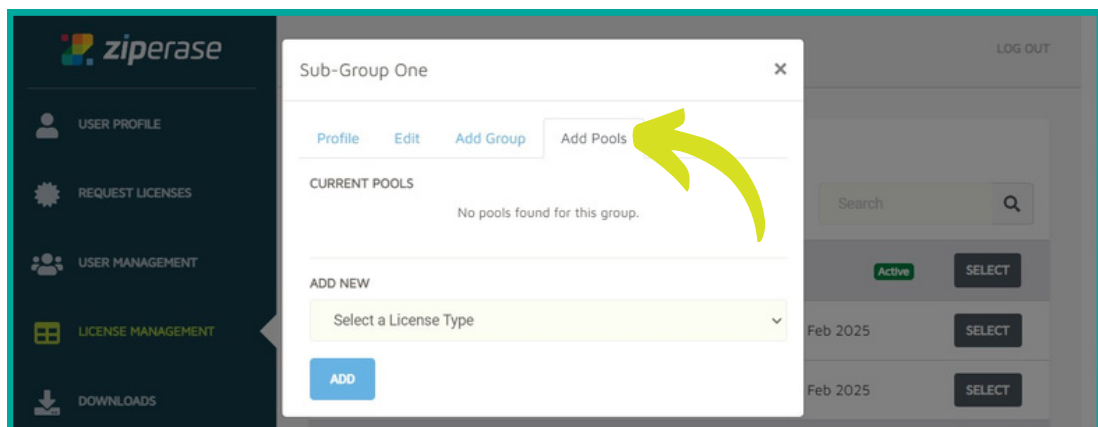

ALLOCATING LICENSES TO A SUBGROUP

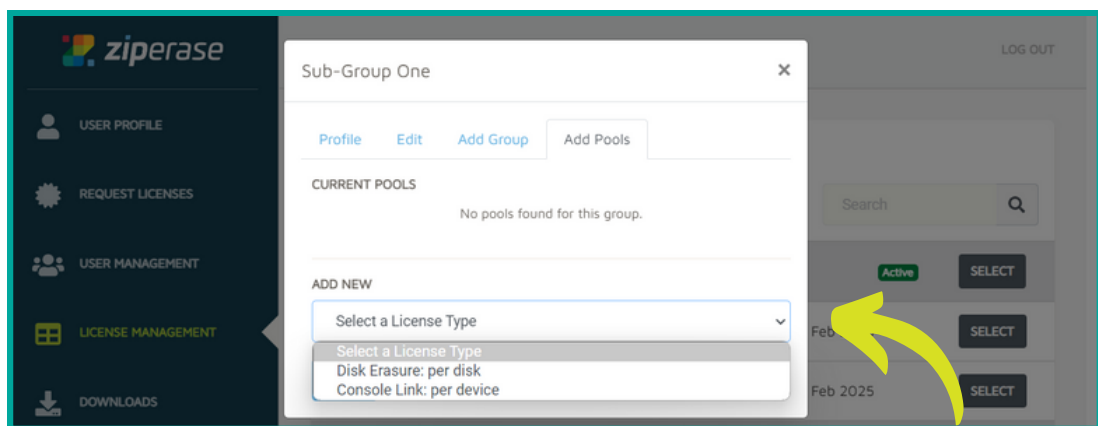

- To make licenses available to a subgroup, click **SELECT** on the relevant subgroup

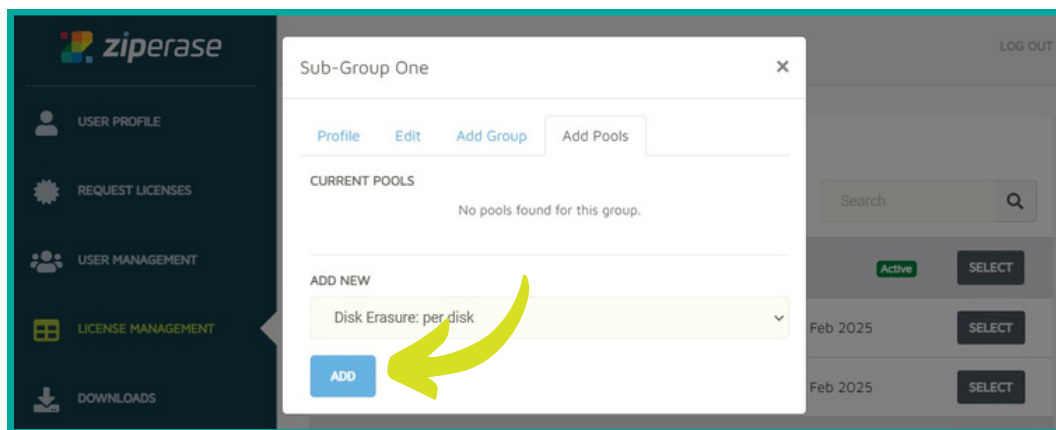

- Select Add Pools

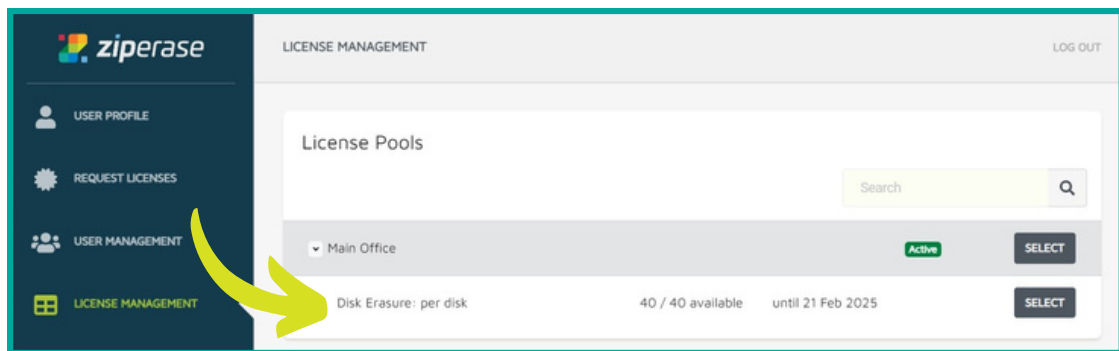

- Select a License Type - this will allow you to allocate licenses of this type to this subgroup

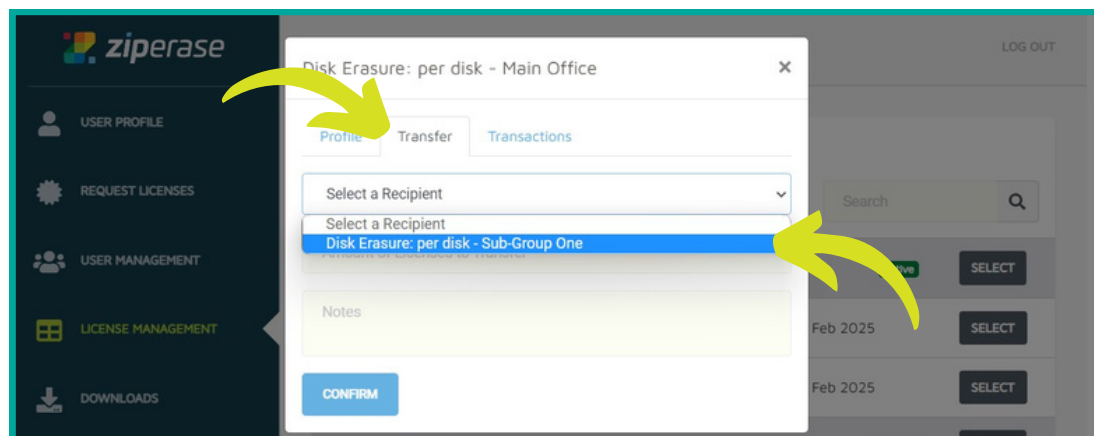

- Click Add

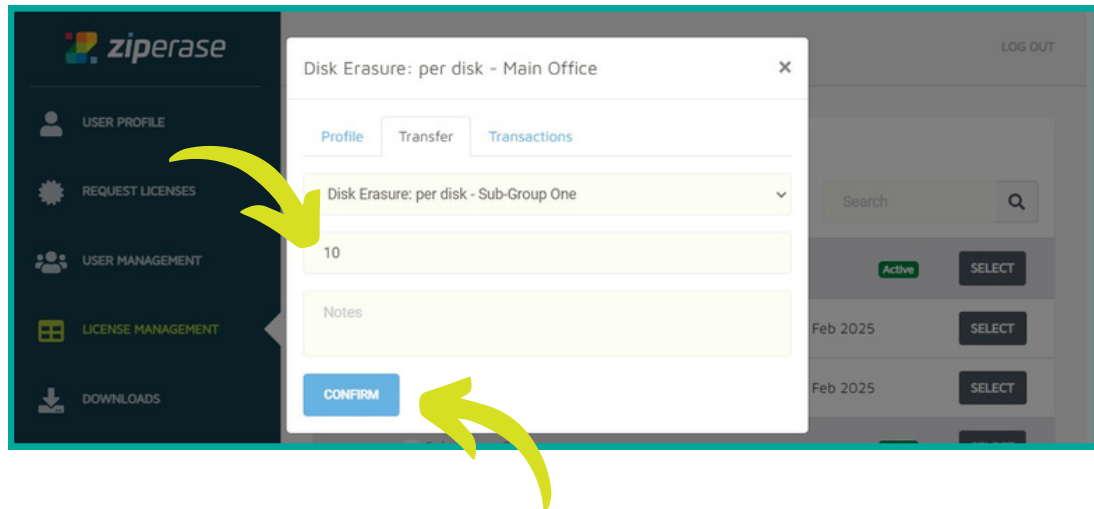

- Now click Select on the relevant License Pool under the Main Office tab

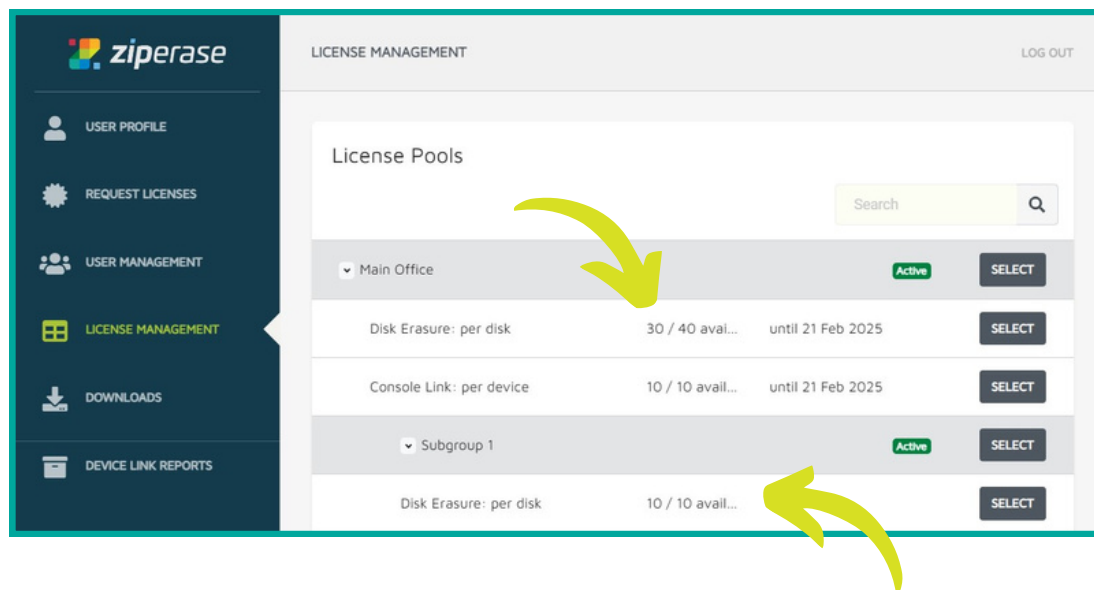

- Click the Transfer tab and select the subgroup you've allocated the pool to

- Enter the number of licenses you wish to transfer to this sub-group from the main pool
- You can include any notes you want to make about the transaction
- Click Confirm

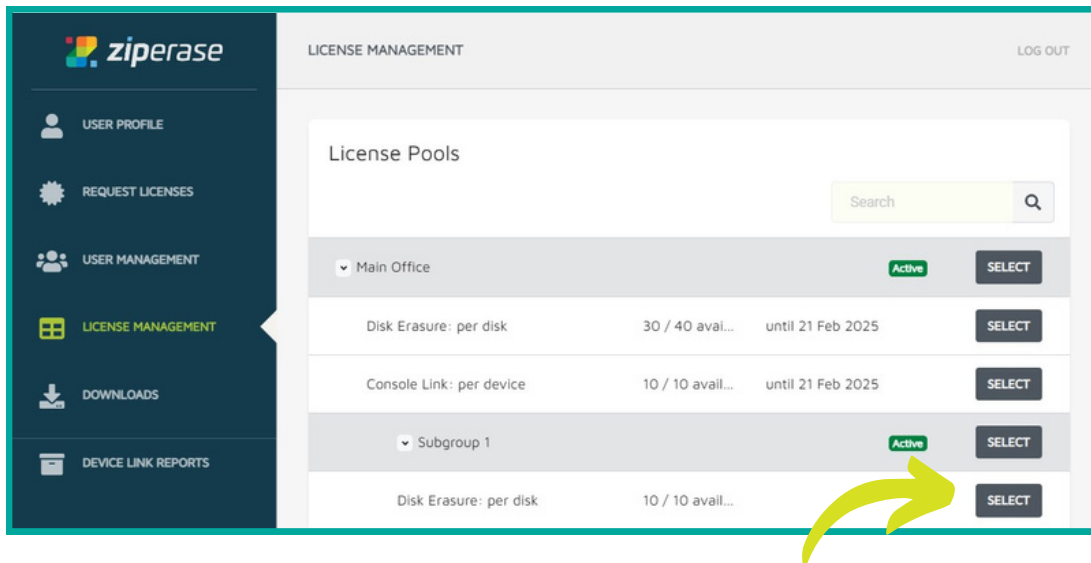

- The number of licenses in the Main Pool will reflect the transfer
- You'll see the number of licenses allocated to the subgroup in the line just below it

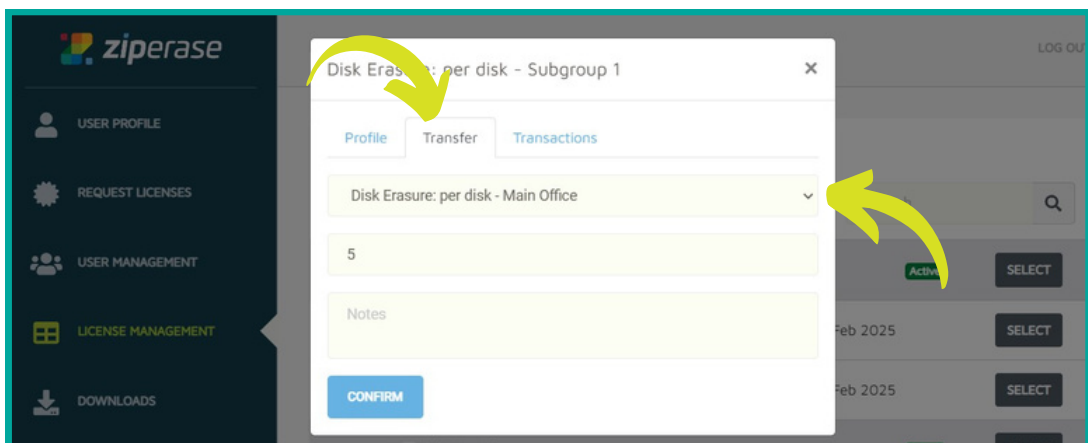

RETURNING LICENSES TO THE MAIN LICENSE POOL

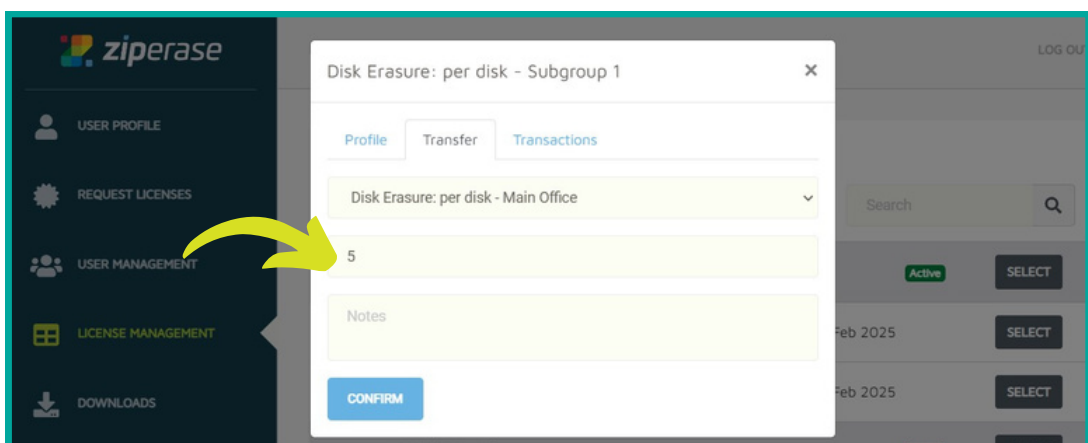

- To return licenses to the main pool, click **SELECT** on the License Pool of the relevant subgroup

- Select the Transfer tab
- Select the Main Office as recipient

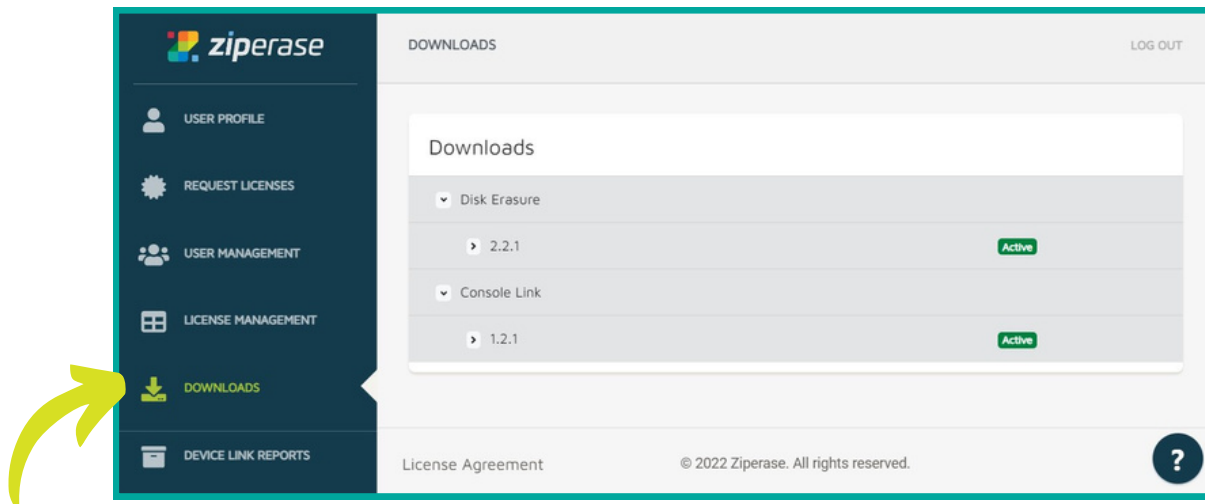

- Enter the number of licenses you want to transfer back to the main office
- Click **CONFIRM**

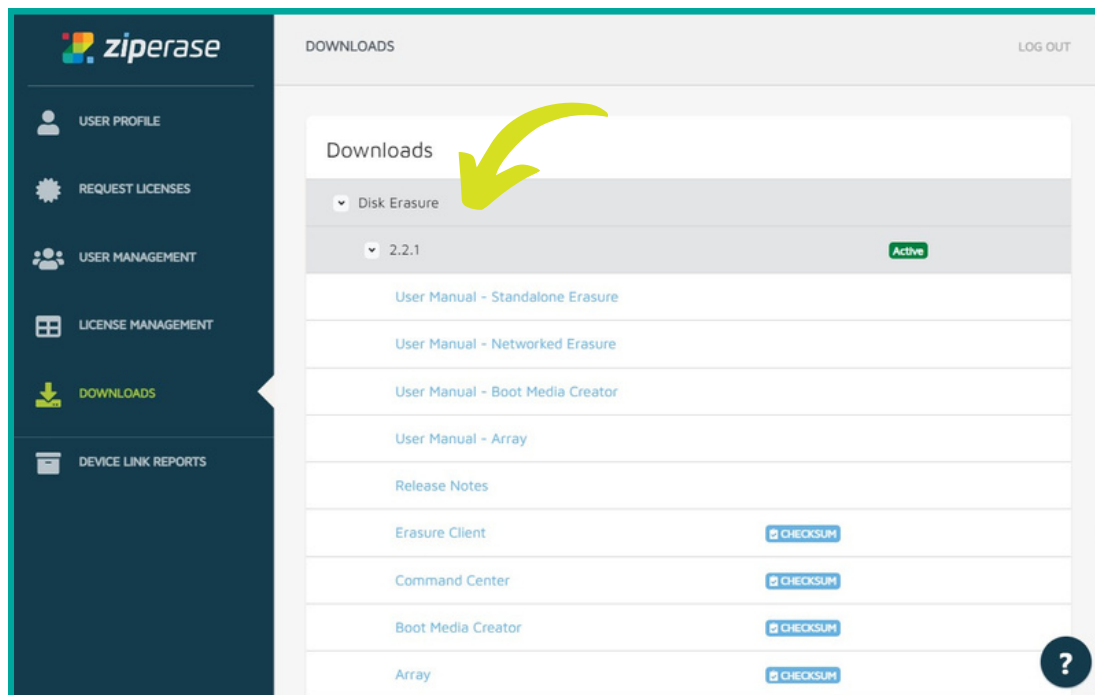

DOWNLOADS

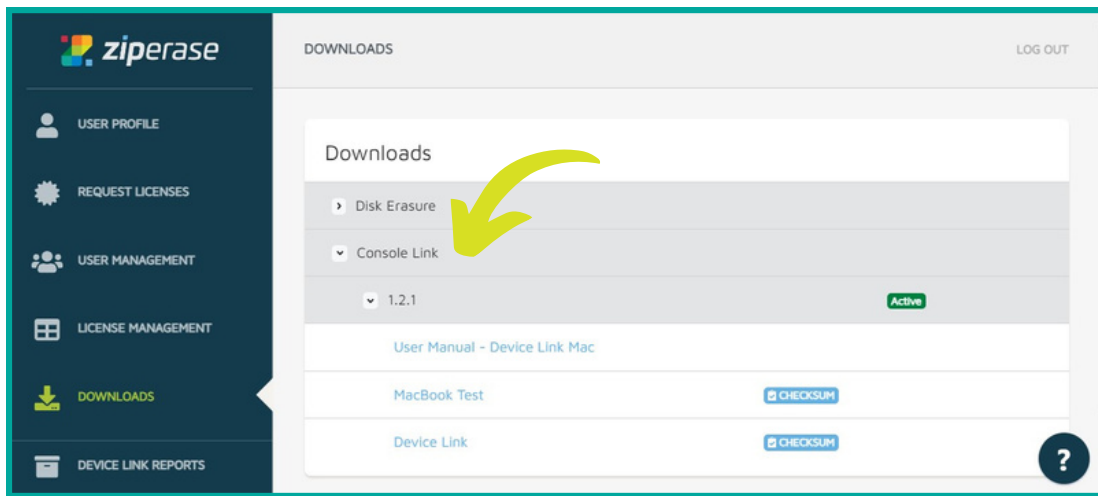

The **DOWNLOADS** tab is where you can find all the software downloads and user manuals for all Ziperase software solutions

- The Disk Erasure dropdown reveals the user manuals, software downloads, and release notes for all Ziperase software except Device Link

- The Console Link dropdown reveals the user manuals, software downloads, and release notes for Ziperase Device Link

DEVICE LINK REPORTS

The **DEVICE LINK REPORTS** tab is where you can find detailed records for Device Link erasures
